

# PARKING

Affordable parking can be found in several lots within a few blocks of Dunkley Music. All conference attendees must park off-site in order for Dunkley’s to have sufficient parking for their patrons. If you have a *valid handicap parking permit*, you may call ahead to Mona at Dunkley Music ((208) 342-5549), and she will issue a special hang-tag to allow you to park on-site for the conference.
